GOINGS ON IN FLORIDA A DESPERATE BATTLE

Now Waging at Line Yang-Half Million Soldiers Engageda

From Russian sources telegraphed from St. Petersburg, at 2 a. m. Thursday morning it is learned that the Russian and Japanese armies

All reports so far are favorable to the Russians, though the suspension of news at St Petersburg for many what tempering the earlier enthusi-

probably rank as one of the great sangulary battles of history. It is stimated by the general staff that the Japanese armies engaged num-ber seventeen divisions of 15,000 men each. or, allowing for inefficients, about 240,000 men. Each division has thirty-six gues, and there are two independent artiflery brigades of one hundred gons each, making a total of about 800 guns. The esti-mates of Russian correspondents range at from 600 to 1,000 guns per

In the preliminary fighting of Mon-day the Russians captured 200 pris-oners, who have already arrived at Harbin, and report persists that they captured over forty Japanese guns

General Kur patkin's effective forces are variously estimated at from 120,000 to 200,000 men. The Japanese on Wednesday morn-

west of Line Yang showin he Japanese were undoubtedly try

stration is the endurance of the men. They have been engaged des-perately for two days after more or less severe fighting under unfavorless severe lighting under untavor-able conditions every day since Au-gust 24. It would seem that buman endurance could not persist much longer without respite of some sort. The Japanese are using balloons to locate the Russian guns and the trenches. One of the Russian corres-pondents of the Associated Press points out that the Japanese sent up a balloon shortly after declient to balloon shortly after daylight to be southeast of Liao Yang.

One of the surprising phases of the

tain batteries, in which arms the Russians were deficient, told with ready effect. Now the contest is in a comparatively open country, where both the Russian field guns and the Russian cavairy can come into more effective use.

Timothy Bailey of Newberry, Fla., was in Atlanta last Saturday and a mest at the Kimball House. He had written a letter and started out the street to find a until box. seeing one he made inquiry of some men who pointed to a box and told to turn the crank. He did as directed, but instead of the thing opening ir began to buzz fire alarms began to sound and in a minute or two fire engines, and hose carts, and hook and ladder trucks were seen to approach from every direction. Then Bailey realized his mistake, but he stayed it out and explained his mistake to the fire chief, who, looking in-to the depths of his innocent eyes. saw that he was a real rustic and let
